Sir,

With reference to Government Proceedings No.1332-63/M.F. 63-22-9 dated 25th September 1922 sanctioning a revised schedule of powers to be exercised by the Deputy Commissioners, Muzrai Commissioner and the Government in Muzrai matters, I have the honor to state that while the power to sanction new grants of cash or land inams has been reserved to Government (vide item 6 of appendix C), no mention is made as to the authority competent to regrant the tasdiks of institutions lapsing to Government on account of the dilapidated condition of the building or other causes in favour of other deserving Institutions (of the same religion) or to make assignments either temporary or permanent from the funds of one affluent institution to another (of the same religion) in needy circumstances deserving of such help.

2. As the principle underlying the regrant or contribution referred to above has been recognised and acted upon in many instances previously, the formation of the General Muzrai Fund being a notable example thereof and as applications for help are being often received on behalf of new and deserving Institutions, I request that the Muzrai Commissioner may be empowered to sanction assignment up to a limit of Rs.50/- a month out of lapsed grants

and

[illegible] of Institution funds, the consent of the Dharmadarsis being [illegible] obtained in the latter case.

I have the honor to be,

S i r,

Your most obedient servant,

M Chaudry

Inspection Commissioner.
